Complex task class 7

Topic: Planning a trip to an English city

You and your friend have the chance to go to a city in Great Britain (England, Wales, Scotland, Northern Ireland) in your Easter break from 10th – 19th April. Plan this trip and speak about the planning. Choose a city from the text book cover, don't choose London!

Talk at least 5 minutes and create a poster to show some things (mindmap or picture...). Don't write text on the poster, only headlines and names. Use your textbook, your workbook and your folder for help. Use a language you and your class understand. If you use an unknown word, please explain it. You are only allowed to use a catchword sheet with 30 words on it.

Good luck and enjoy the planning!

My chosen city (not London): _____
